

FOR IMMEDIATE RELEASE**LEADENHALL CAPITAL PARTNERS HIRES YUKO HOSHINO TO BEEF UP ITS FUNDRAISING FUNCTIONS IN JAPAN AND ASIA****London – 9th January 2024**

Leadenhall Capital Partners ('Leadenhall' or 'LCP'), a leading investment manager in Non Life and Life & Alternative Credit insurance-linked strategies, announces the appointment of Yuko Hoshino as Senior Managing Director for Japan and Asia within its business development team. Yuko, with over 27 years of extensive experience in the capital markets within both investment banking and asset management, joins LCP from Securis Investment Partners LLP, where she held the position of Partner and Head of Japan/Asia. Yuko joins Leadenhall as Senior Managing Director covering Japan and Asia reporting to Lorenzo Volpi, Managing Partner and Deputy CEO.

Yuko has held outstanding success in promoting investment strategies including insurance-linked strategies, structured credit and fixed income alternative to institutional investors mainly located in Japan such as pension funds, financial institutions and corporates over her career at Securis , Credit Suisse First Boston in London and Credit Suisse Securities in Tokyo.

Lorenzo Volpi says: "We are delighted to welcome Yuko, who brings more than two decades of experience providing investor clients with advisory on both traditional and alternative investments. Yuko is expected to play a crucial role in elevating our Japanese and Asian investors' education while actively contributing to the development of comprehensive investment strategies. Her addition to the team will serve as a valuable resource, ensuring the delivery of impactful results for our institutional clients".

Leadenhall CEO Luca Albertini said: "Leadenhall Capital Partners remains committed to reinforcing its position as a leading investment manager, and Yuko Hoshino's appointment underscores the firm's dedication to attracting top-tier talents to drive our continued success in the ILS sector. The team looks forward to leveraging Yuko's expertise and insights to further enhance its client offerings and strategic initiatives."
